---

**The Merciful and Most Compassionate**

## Dedicated to:

---

- The Late Dr. **Hoshang Bayat Assadi** (The Head of Iranian Research Institute of Plant Protection (ex. Plant Pests and Diseases Research Institute, PPDRI);
- The Late Dr. **Ebrahim Adeli** (The Head of Department of Forestry, Islamic Azad University, Sciences and Researches Branch, Tehran-Iran.

# Preface

---

- Once again I am very pleased to announce the launch of [version 4.1](#) of plant bacteriology ppt files in my website.
- The current version contains 8300 slides with 456 MB original and 224 MB pdf capacities. [This indicates ca 7% increase in both number of slides and file capacities.](#)
- Despite the enormous problems in access to reference scientific resources, I tried my best to provide an acceptable version.
- In this regard, I may take this opportunity to request all my colleagues to provide me some of their recent publications in order to improve the existing slides.
